

Greetings Disciple Team,

My name is \_\_\_\_\_ and I truly wish to ask The Kingdom of God  
and The Ambassador to come to my (state) \_\_\_\_\_ for the  
reason(s) listed:

---

---

---

---

If she is granted I will:

- Have her stay in my home with me alone
- Have her stay in my home with me and my family (i.e) husband, wife, children
- I would like her to book a room in a local hotel

I do not know the details of "all I really want", I just want to start by making my desire(s) know and then wait to receive word from The Council of God.

Respectfully,

---
